Hello families,

Welcome back to Term 3. It was great to see everyone back and recharged ready for a jam packed term.

We had some concreting done in front of Building 1 over the holidays which is the first stage of the play area redesign. We aim to begin stage 2 which will consist of moving the cubbies and extending the sandpit over the next couple of weeks with the whole project completed by the end of Term 3.

Just a reminder that if you haven't accessed your child's Semester 1 report, they are available on Xuno.

If your child is absent, please let us know via Xuno or a phone call to advise of the reason. This allows us to keep accurate absence records and will reduce follow up phone calls, emails, or texts for unexplained absences.

During Term 2, an additional bus stop was added to the bus route. The bus now stops morning and afternoon, in front of the Pheasant Creek Convenience Store. If this additional stop would assist you in transporting your child/ren to and from school, please pop into the office for a bus form and once you have filled it in and returned it, you are able to utilise the bus.
